Sir,

I beg permission to bring to your favourable consideration the following facts

I took the M.B.B.S., degree of the Bombay University in June 1914, standing second in the pass list and scoring the highest marks in CLINICAL MEDICINE. For my general proficiency in the Grant Medical College, I was awarded a Bombay Government scholarship as also an Anderson Scholarship.

I am a native of Mysore, being related to Karpur Srinivasa Rao Esq and to H.Narasinga Rao Esq, Advocate, Mysore.

I passed the F.A., examination of the Madras University from the Maharaja's College Mysore.

I was getting a State Medical Scholarship while in Bombay.

After taking my degree, I have gained considerable practical knowledge having worked as a House-Surgeon for one year at the Lawley Hospital, Coonoor and the Director of the Pasteur Institute had allowed me to work in the laboratory attached to the institute.

I beg to enclose copies of testimonials obtained during my academic course and during the tenure of House-Surgeonship.

I crave leave to approach you with the request that I may be entertained as an Assistant Surgeon in the Mysore Medical Dept.

I beg to remain,

This is to certify that I have known Mr. Y.V. Krishnamoorty, M.B.B.S., for several years past as a student and at present as a graduate of this College and I have great pleasure in bearing testimony to his general intelligence and professional abilities. He was a very deligent and painstaking student and has had a very successful career at this College. He passed in the 1st class in the Intermediate M.B.B.S. examination and in the M.B.B.S. degree examination he stood second on the pass list. He took great interest in the College Gymkhana affairs and was a very enthusiastic sportsman. His conduct was very good. In my opinion he is deserving of every encouragement in the prosecution of further studies and I feel sure he will give satisfaction in any appointment to which he may be posted.

Madras,

January 10th 1915.

I very gladly accede to Mr. Krishnamurthi's request for a testimonial.

He has worked as a House Physician and Surgeon under me at Coonoor for about 4 or 5 months and has shown himself to be an exceptionally well qualified and capable man. In the wards at his clinical work, in the operating room, and in the clinical laboratary he has displayed a very thorough acquaintance with his profession.

His personal manners and behaviour have been excellent. I wish him every success in his professional career and I believe he will achieve success without difficulty.

Sir

With reference to your memo no 5938 Med 8. 15. 33. of 14th Feb '16 which reached me here on 12th May '16. I beg to inform you that on completion of medical course at Bombay in June 1914, I made several personal applications to the Senior Surgeon with the Govt. of Mysore for an appointment as an Assistant Surgeon, and in anticipation of an appointment, I worked for some time as post graduate in the Victoria Hospital, Bangalore, with the kind permission of the medical officer of that institution. The Senior Surgeon to the Govt. of Mysore told me on several occasions that there were no vacancies in the Mysore Medical department for an Assistant Surgeon and gave me the option of accepting a Sub-Assistant Surgeon's place which I was not prepared to accept both because I had not taken up the study of medicine with a view to becoming a Sub-assistant Surgeon and because my training at Bombay was to qualify me as an Assistant Surgeon and not as a Sub-asst. Surgeon

On completing the medical course at

at Bombay. I waited for 16 months during which time, as above mentioned, I made several applications for an appointment as an Assistant Surgeon under the Govt. of Mysore. I beg to claim that by not utilizing my services when they were offered, the Govt. of Mysore waived their claim, if any, on my services.

I should like to point out that in accepting a temporary Commission in the Indian Medical Service, I had no dishonest intention to deceive or show ingratitude to the Govt. of Mysore for their kindness in in-curring part of my expenses in the Medical College at Bombay; and that, if my letter of 3rd Oct '15 had been acknowledged in due time, I should have asked for permission to accept service outside the State. At a time when there was a great demand for medical men in the various theatres of this world wide war, I thought it my duty that I should serve His Majesty the King Emperor, instead of wasting my time, and with this object in view, I accepted a temporary Commission stating my desire to proceed on active service. I trust that the Govt. of Mysore will not deem this action of mine as dishonest or disloyal.

I beg to remain

SIR,

With reference to your letter No.1601/Med.8-15-48 dated the 28th August 1916, calling for information on certain points in connection with the order for enforcing the covenant executed by Mr. Y.V. Krishna Murthi, Mysore Government Scholarship holder, I have the honour to inform you regarding para 1 of the letter under reference, that the scholarship holder, on enquiry, is found to have accepted a commission in the army and is now serving at the War Front in France. It would, therefore be not possible to enforce on Mr. Krishna Murti, the fulfilment of the terms of the agreement executed by him till his return to Mysore.

As regards para 2 and para 3 of the letter, the scholarship-holders have not hitherto been reporting themselves regularly after the completion of their study, to either the Inspector General of Education or the Head of any other Department, and as such Mr. Krishna Murthi did not report himself either to me or to the Senior Surgeon. I am of opinion that a time limit of six months from the date of return to Bangalore for accepting service elsewhere should be prescribed as in the case of Foreign scholars.

One of the conditions under which State scholarships are granted for professional training such as Medicine, Engineering, etc., is that the scholarship-holder should execute an agreement binding himself to serve the State for a specified number of years after the completion of his training.

2. In the case of foreign scholarships it has been laid down in Government Order No. 763-813—Edn. 400-13-1, dated 22nd October 1914, that the obligation to serve the State does not extend beyond six months after return to Bangalore in the absence of an offer of employment to the candidate concerned within the said period. Government are of opinion that the same rule may be made applicable to all State scholarship-holders who are under an obligation to serve the State.

3. After passing their final Examinations the scholarship-holders will be required to report themselves to the Heads of the Departments concerned who should arrange to provide them with suitable appointments within six months. If this is found impracticable the candidates should be informed accordingly with the approval of Government and in all such cases the obligation to serve the State will be deemed to have ceased and the students will be at liberty to accept employment elsewhere.

4. If there is any reasonable prospect of the services of the scholarship-holders being utilized soon after six months though not exactly within that period, the Heads of the Departments concerned should make arrangements under the orders of Government to keep them attached to the respective departments, and continue their stipends until they can be absorbed in the department.
